

What will Hungerford be like in 18 years - Have you Had Your Say

We have received a good response to our first questionnaire to gather your views for the development of the Neighbourhood Plan.

But there are still two weeks to go so if you have not sent in a questionnaire, complete it on-line at <http://www.hungerford2036.info/> or collect an extra copy from the Hungerford Library.

This is our first consultation exercise and we will be giving you feedback and holding a series of workshops throughout the Autumn

The whole point of a Neighbourhood Plan is that it is community-led and that means researched, written and voted on by the people who live in the neighbourhood – that's you and your neighbours! At present we are also seeking the views of people who visit and work in Hungerford.

It will, at the end of the process, have significant influence on the way Hungerford changes once the plan has been sanctioned by a town referendum.

Don't leave it to someone else, make sure your view is heard
